Graduate Study in Physics and Astronomy

Basic Stats
- 26 Faculty
- >50 Graduate Students
- >10 Postdoctoral Scholars
- #1 Ranked Physics Department in the Big XII
- #1 Ranked Graduate Science Program at KU

Degrees Offered
- Ph.D. in Physics
- M.S. in Physics
- M.S. in Computational Physics and Astronomy

Research Programs
- Astrobiophysics
- Astronomy & Astrophysics
- Biophysics
- Condensed Matter Physics - Experimental
- Cosmology - Observational & Theoretical
- High Energy Physics - Experimental & Theoretical
- Nanotechnology & Quantum Computing
- Nonlinear Dynamics
- Nuclear Physics - Experimental
- Space Physics & Plasma Astrophysics

Support
All qualified students receive support via GRA or GTA appointments, Fellowships, or Scholarships
>$5M in Research Funding

Lawrence is a great place to live

Lawrence is vibrant and inclusive.

Lawrence has excellent arts, music, and food scenes and has often been referred to as the “Austin of Kansas”.

Lawrence has one of the top 10 main streets in the nation. Known as Mass Street to the locals, Downtown Lawrence has also been named the best destination in Kansas.

Admissions Information

Deadlines:
Submission date for Spring admission is October 1.
Submission date for Fall admission is December 31.

Complete information can be found on the department web page.

Applications from women and underrepresented minorities are strongly encouraged.

We Prepare our Students for Success

Training in proposal writing and oral communication

Extensive multidisciplinary opportunities

Proactive mentoring

Early immersion into a research environment
